RE: Silver Signature Re-certification - Cypress Ridge Golf Course

Dear Peter:

It is with great pleasure that I inform you that **Cypress Ridge Golf Course** located in Arroyo Grande, California has been officially re-certified-as a **Silver Audubon International Signature Sanctuary**. The Peter Jacobsen/Jim Hardy-designed facility is a *first public Certified Silver Signature Sanctuary* in the state of California.

During the re-certification site review, it was noted that the golf course not only continues to provide a challenging golf experience, but that the diverse natural areas serve as habitat for many species of resident and migratory wildlife. It is our opinion that **Cypress Ridge Golf Course** continues to be managed according to the environmental principles and guidelines of Audubon International's Signature Program and is a model for sustainable natural resource management.

Congratulations on the re-certification!

Sincerely,

A handwritten signature in black ink, appearing to read 'Nancy E. Richardson'.

Nancy E. Richardson, Director  
Signature Programs
